

THE CITY LIFE.

With sleek good looks and high caliber performance, the C300 Corpus offers the perfect blend of stability and agility. Features include: adjustable suspension; front and rear battery access; and a seat-to-floor height of 460 mm (18 inches) with up to 45 degrees of tilt. No other product in its class can even compete. Small, nimble and quick, the C300 Corpus is designed for navigating busy streets and getting in and out of tight spaces. Plus, the Corpus is the world's most popular powered seating system with an ergonomic back featuring built-in, adjustable lumbar and trunk supports. The modular design of the Corpus also allows for growth and added seat functions. An ideal combination, the C300 Corpus is ready to take you in any direction you choose. Lead the way.
